ANNUAL REPORT OF THE
DIRECTORS OF CANADA IRON FOUNDRIES
LIMITED

YEAR ENDED DECEMBER 31st, 1930

*To be submitted to the Shareholders at the Fifteenth Annual
General Meeting of the Company at Montreal
March 30th, 1931*

Your Directors take pleasure in presenting to you the Company's Profit and Loss Account and Balance Sheet showing the results of operations for the year ended December 31st, 1930, certified to by your Auditors.

In view of the business depression which has been general throughout Canada during the last half of the year 1930, your Directors feel that the results for the year have been satisfactory, particularly when the somewhat lower prices prevailing during the period under review are taken into consideration.

A number of buildings at our Hamilton, Ontario, Plant were destroyed by fire in the month of August, all of which were fully covered by insurance. These buildings have been replaced with a resultant improvement in lay-out.

All of the Company's operating Plants have been kept up to the highest standard of efficiency, thereby enabling your Company to meet whatever demands its Customers place upon it.

Including the balance brought forward of \$149,638.45, and Returns on Investments, the Profit and Loss Account, after the usual charges for Depreciation, Debenture Interest and the maintenance of Shut Down Properties, shows a balance of \$479,122.09. A dividend of 3% on the Preference Shares and 1½% on the Common Shares for the six months ended June 30th, 1930, was declared payable September 15th, 1930, to Shareholders of record August 31st, 1930. A further dividend of 3% on the Preference Shares and 1½% on the Common Shares for the six months ended December 31st, 1930, has been declared payable March 16th, 1931, to Shareholders of record February 28th, 1931.

After providing for the above, there is left a balance of \$198,487.09 to be carried forward in the Profit and Loss Account.

Your Directors have received and accepted, with regret, the resignation of Mr. F. Perry as Chairman of the Board.

Your Directors wish to express appreciation of the efficient and faithful work of the Officers and Employees of the Company.

Submitted on behalf of the Board.

C. L. JOBB,
President.

February 12th, 1931.

Montreal, February 12th, 1931.

To the Shareholders:—

We have examined the above Balance Sheet dated December 31, 1930, with the books and papers of the Company. In our opinion the Balance Sheet is properly drawn up so as to exhibit a true and correct statement of the financial position of the Company at the date to which the same relates, and the explanations given to us, and as shown by the books of the Company.

Montreal, February 12, 1931.
